

# “Wade in the Water”

## Camp 'n Sing

**Friday August 21<sup>st</sup> and Saturday 22<sup>nd</sup>**

Come and sing under a canopy of maple trees in a beautiful and spacious acreage on the Oyster River, Black Creek. This private campground is about a half-hour drive from Courtenay or Campbell River.

There will be singing sessions on Friday evening, Saturday morning and Saturday afternoon. We will have time in between session to relax, enjoy the river and the company of fellow singers. Your options are to come for just the singing sessions, then go home at night and sleep in your own bed, or if you are a camper, pitch your tent or bring your RV and spend the night listening to the river while you sleep. There is a great indoor workshop space with wonderful acoustics in case the weather doesn't cooperate so rain or shine we've got it covered. (and for those of you who need to know...this campground has flush toilets and showers available :)

I am having a lot of fun getting the songs for this event together. We will be singing a lot of old favorites from years past, as well as some new songs to challenge our singing brains (If you have a favorite you would like to suggest, add it to your registration email and I will try to include it) This workshop is open to everyone who wants to sing. I won't be doing any formal advertising so would very much appreciate if you could pass the word onto those you think might be interested.
